Reviews

A brand new e book with a new perspective. I could comprehend every little thing using this written e publication. I am quickly will get a satisfaction of reading through a written ebook.
(Clemmie Rolfson)

MATTER AND MEMORY

Solis Press. Paperback. Condition: New. 162 pages. Dimensions: 9.2in. x 6.1in. x 0.4in. This work by philosopher Henri Bergson analyses the philosophical problems on the relationship of body and spirit. This book affirms the reality of spirit and the reality of matter, and tries to determine the relation of the one to the other by the study of a definite example, that of memory. It is, then, frankly dualistic. Bergson was awarded the Nobel prize in Literature in 1927 in recognition of his rich and vitalizing ideas and the brilliant skill with which they have been presented. Professor Bergson here grapples with nearly all the graver problems of psychology, epistemology and ontology, handling them in a manner which is often both original and suggestive. The Psychological Review This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
