Blue Dome Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. In a world that is too often seen as a cloash of civilizations, some believe there is another way, a path that involves engagement, dialogue, and respect. In Thomas Michel s new book, Peace and Dialogue in a Plural Society, he explores how Fethullah Gulen is one of those speaking most vocally in favor of a world community, where different faiths and nations can come together at one table to solve the multitude of problems facing today s world. Exploring the spiritual roots of Gulen and the Hizmet Movement, as well as drawing parallels between his own work as a Catholic priest, Michel shows how Hizmet has helped build a blueprint for intercultural communication in a time when too many voices are trying to stoke the fires of discord. Through education, dialogue, and a respect for basic human dignity, Michel finds a foundation in Gulen s faith and Hizmet s service upon which a healthy, diverse society can be built.
