TOO MANY WITH TOO LITTLE: THE CHALLENGE FOR INDIAS DEVELOPMENT PARADIGM

[DOWNLOAD](#)

Konark Publication, New Delhi, 2004. Hardcover. Book Condition: New. 180pp. The Indian economy has progressed steadily since independence, and especially since economic liberalisation began in 1991. The economy has proven its resilience to shocks?both internal and external. There are major strengths but significant roadblocks still persist. The road ahead is difficult and the speed of change envisaged fast. Can India realise its potential The book discusses this prospect in terms of economic, particularly industrial, development. It presents the thoughts ? in the form of a collection of essays?of an applied development practitioner, trained as an economist who has been deeply involved in this process right from the formulation, financing, start-up, implementation, monitoring and evaluation of various industrial development projects.
