WWW.Ghostlycreepy.Net, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.True Ghost Stories is a collection of real and frightening paranormal accounts from real people. Each story is unique in its own personal experience and has been told to the author, Selinda Hart. Having worked as an investigator and as a researcher for the paranormal radio show Tia Maria she has brought together some of the best hauntings, accounts of paranormal mysteries, and true ghost stories in this collection. The sixteen stories in this book include diverse paranormal phenomenon and unexplained mysteries set in different locations in the United States, and one compelling frightening story from Spain. As one former skeptic reports from his scary experience, I was never a believer in the paranormal and I thought ghosts were simply a figment of someone's overactive imagination. I no longer scoff at people who claim to see ghosts. I never found out who or what was haunting that house. But I wasn't going to stay and find out. The House off Greenville, Red Balloon, Ghost in the Bedroom, and Who's been playing with my kids? are real stories about events and paranormal activity that took place in the Dallas house where the author lived in as a single mom for over five years. Her children are grown now, but to this day they do not like talking about the strange activity and events that took place in that house. If you like reading scary stories, paranormal mysteries, and unexplained phenomenon, then True Ghost Stories will leave you with chills. So snuggle up, get under the covers and get ready for some serious goosebumps!.
