Leonaur Ltd. Hardcover. Book Condition: New. Hardcover. 356 pages. Dimensions: 8.7in. x 5.7in. x 1.3in. Colonial adventures in a 6 volume collection set on the Dark Continent. In the first years of the twentieth century much of the African continent remained dark, mysterious and still full of strange and exotic possibilities. The British Empire ruled over vast areas of trackless plain and dense equatorial jungle, all had their fragile order maintained by a small cadre of government officials, policemen, soldiers and forces raised from the local populations. To those who only read about these remarkable men it seemed they led a life full of the potential for adventure of the most exciting kind. Wallace was a prolific author responsible for several series of popular novels featuring bold adventurers and crime fighters. For his series set in the highly evocative world of West Africa he created two of his most beloved and enduring characters, Colonial Administrator Sanders and his eccentric companion Lieutenant Tibbetts, known to all as Bones. Sanders was probably based upon the real life character of Frederick Lugard who was the highly regarded creator and administrator of Northern Nigeria and whose incredible career can scarcely be said to have been less remarkable than that of his fictional counterpart. Those who love classic adventure especially set against an African backdrop will discover a rich vein of reading pleasure in the six Leonaur books (which include both short stories and novels) that comprise this...
