Taylor Francis Ltd, United Kingdom, 1996. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An increase in research into all facets of learning difficulties has resulted in a deeper understanding of the problems. This book includes a description and explanation of reading, spelling and learning difficulties; provides chapters on psychological and neuropsychological assessment; explains the associations between behavioural problems and learning difficulties; and critically reviews remedial approaches, incorporating a summary of what is known about their efficacy. The importance of dealing with attendant behavioural problems and the significance of phonological knowledge in literacy learning are central themes.; Intended to be a succinct and accessible synthesis of current knowledge in this area, this book should be of interest to professionals who encounter children with learning difficulties, tertiary students and parents.
