OF GODS AND FAE: A VEGAS FAE STORY (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You see plenty of strange things when you're a P.I. in Las Vegas, but even that couldn't prepare ex-cop Robert Hoskins for what was to come. At first he couldn't believe that all those stories he'd been told as a child were true. But hearing that the Fae had taken the casinos over from the mob was something else. Elves, Dwarves, Werewolves and Faeries were just the beginning and battling dark Mages, the opening act. Having banished his enemy to the cold hell of Tartarus he'll now have to travel to the Fae lands to claim his birthright. Along the way, and after, there's Demons and Dragons to fight and a trip down the river Styx to the gates of Hades itself is on the playlist if he'll want to defeat the dark Fae's minions and undo an ancient curse. Sin City will never be the same. From the author of Return of the High Fae, this is book two in the Vegas Fae stories but a standalone novel in its own right.
