Be pleased therefore to receive the Narration (of what was then said) in the very words, in which, for mine own remembrance, (at my return home) I noted it; not indeed in the Interlocutory way, in which it passed, (and that to avoid Repetitions,)but by way of one continued Discourse, but To ordered, that you will certainly become informed (and perhaps with more advantage, than if a Notary had taken it) in the substance of all that was offered on both sides.
