Joy of Language, The. Paperback. Condition: New. 248 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Do you know how babies learn to use speech sounds Do you know how they figure out which sounds are words What are the best ways to teach your toddler to use sentences How can you make sure your child becomes social, friendly and caring How many words should your child know by 3 How well should your preschooler speak by 4 How can you provide the best experiences for beginning reading, writing, spelling and math What should you look for when choosing a preschool or caregiver How can you share the joy of speech, language and learning with your child The Joy of Language: The Guide to Language and Learning for Parents and Caregivers will lead you through every aspect and every stage of speech and language development. It answers all your questions about how your baby, toddler and preschooler will learn through language and experiences. As this book explains, children first learn language then they learn with language. And each chapter of The Joy of Language ends with a Share the Joy section simple and effective ideas for encouraging and teaching speech, language and learning. Learn with your child, and Share the Joy! Think about some questions you might have about how your little one will learn to communicate and learn with language. The Joy of Language answers these and many more: Why does my child have difficulty pronouncing some sounds Should I be using sign language with my baby What should I do to increase my child's vocabulary When will my child learn more complicated types of sentences How do our brains understand social situations How do mothers and fathers speak differently and affect language development Should I bring my child up bilingual...
