A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

UP WHERE WE BELONG: HELPING AFRICAN AMERICAN AND LATINO STUDENTS RISE IN SCHOOL AND IN LIFE

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Up Where We Belong: Helping African American and Latino Students Rise in School and in Life, Gail L. Thompson, In Up Where We Belong, Gail Thompson asked the students in a low performing school to be candid about their high school experiences. Using this information and relying on data from questionnaires and focus groups, Thompson discovered a huge gap in perception between how teachers and students view their experience of school. The book explores this disparity, and uncovers some of the reasons for students' low achievement, apathy, and frustration. Most important, she offers vital lessons for transforming schools- especially for underachieving kids and students of color.
