Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

DIARRHEA OF THE BRAIN: A COLLECTION OF POEMS AND LULLABIES (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Diarrhea of the brain.that s pretty much what poetry is. The words appear in the mind s eye and then they keep coming, and coming, and coming. And what better way to deal with these profound, endless voices then to share them with the rest of the world? Some of these inner thoughts are sweet and funny. Others are sad and dark. A few are cute and playful with many more that are heartfelt and beautiful. There are also some reflections that are quirky and meaningless. The rest can seem demented and insightful. This small collection of poems and lullabies is unlike any other. Many of these musings do not rhyme, with free verse being the author s go-to choice of writing style. But, nevertheless, this is poetry. And you may take from it what you will. Prepare to enter a world created by nothing other than diarrhea of the brain.
