Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LITTLE IS MUCH WHEN GOD IS IN IT (PAPERBACK)

Trafford Publishing, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My heart overflows with a good theme; my tongue is the pen of a ready writer. Later in my life, I would pray, almost every night, talking to Jesus. He is my best friend. I would get ready for bed and sleep for a while only to be awakened to a thought in my head that had to be written down. I would sleep for a few more hours, get up, and jot down more notes. I would gather up the notes every morning of the next day. God was trying to tell me something and Jesus was my instructor. God has given me a spirit of divine love all my life. I knew from the time my Mother and Father conceived me that God was in me. Just as a newborn baby, so is God s love. I know that God is in my life every minute, every hour and every day! I didn t realize it before my illness, but God knew exactly what was going to happen to me, when it was going to happen and where it was going to happen. He handled it with His divine spirit and his righteousness. He knew I would grow up in a small town and marry my high school sweetheart, have two beautiful children and give my life to Jesus. He knew I would have 6 precious grandchildren. But most of all he knew the difficult times I would go through, the sickness and...
