iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Humans call them elves or sprites, but these beings call themselves gnomekind. They are divided into two primary groups: the magical Old World Gnomes and the scientific Techgnomes. Communication between these two worlds is strictly forbidden. And yet, from time to time, the rules get broken. Not all rule-breakers are bad, however, as teenaged gnomes Ak ten and Pete may prove. Forging a forbidden friendship, the two young gnomes set out together to make a daring rescue inside Fenrir s fortress. Years ago, the Old World Prince Fenrir uncovered a power buried in the shadows of gnome myths. Blending the two worlds of magic and science to unify his sinister cult of Darkgnomes, Fenrir has become obsessed with finding a fabled artifact known as the Devil s Pearl. Their quest leads Ak ten and Pete into unfamiliar realms, and each must embrace the unusual and sometimes dangerous aspects of the other s culture. But their mission is more urgent than either of them realize. Fenrir has grown dangerously close to achieving his ultimate goal. The keys to obtaining the Devil s Pearl are within his grasp, and whoever possesses the Pearl will rule the world.
