

The Career-Minded Student

By Neil O'Donnell

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Career-Minded Student provides undergraduates with a complete toolkit for excelling in classes, researching their strengths/interests, finding a suitable major and preparing to compete for jobs immediately after graduating from college. Unlike many similar books which are quite long-winded or focus specifically on either study skills or career guidance, The Career-Minded Student is a straightforward, memorable and comprehensive guide on how to put yourself ahead of the competition. The book will guide you through every college year and give you the tools to successfully compete for good jobs in your field after graduation. This guide fits well with students attending any school, whether it's a two-year institution or another type of college or university. Put yourself one step ahead of the competition, and get a copy of The Career-Minded Student today.

Reviews

It is one of my personal favorite pdf. Of course, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
