Brand New Book ***** Print on Demand *****.Why the Chimes Rang - A Play in One Act - By Elizabeth Apthorp McFadden - Classic Drama - Adapted from the story of the same name by Raymond McDonald Alden Why the Chimes Rang is the story of a grand old church with beautiful chimes which mysteriously ring out every Christmas Eve whenever someone places an especially pleasing gift on the altar as an offering, and how a miracle occurs after the chimes have fallen silent for years. The story is a sort of variation on the Jongleur de Notre Dame and Little Drummer Boy themes. The scene is laid in a peasant's hut on the edge of a forest near a cathedral town. It is a dark low-raftered room lit only by the glowing wood fire in the great fireplace in the wall to the right, and by a faint moonlight that steals in through the little window high in the left wall. This window commands a view of the cathedral and of the road leading down into the town. The only entrance into the hut is the front door near the window.
