

The Beaver's Lodge: Building with Leftovers (Hardback)

By Adam Reingold

Bearport Publishing, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. Explore the remarkable homes built by animal architects! Beavers create complex structures to meet their needs, just like people do. Each beaver family builds a dam in a river or creek in order to make a pond. The furry engineers then build a lodge out of branches, logs, and mud in the middle of the pond. They stay safe and warm in a large room above the water in their lodge. Jaw-dropping photos, a habitat map, and fascinating information will captivate young readers as they learn about these truly spectacular animal towns.
