Rizzoli International Publications, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Since bursting into the zeitgeist, the precocious Petra Collins has captured the hearts of the art and fashion worlds alike. Collins champions an inclusive mode of representation that inspires young women to celebrate how they live now and their agency in creating their image. When Collins shoots in series ranging from controversial self-portraits to emotionally charged and intensely coloured works she operates on the joys, excitement, tedium, and madness of growing up in today s interconnected kingdom of images. Revealing personal essays, Polaroids, and contributions by the women who inspire her unveil the unassuming grace at the centre of campaigns for Gucci and Adidas, films for the Tate, and countless editorials as photographer and subject. Collins embodies the best qualities of the emerging creative community she fosters in curatorial projects like The Ardorous: generous, collaborative, and open.
