Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 221 x 150 mm. Language: English . Brand New Book. The sky flashed with lightning striking the altar and illuminating the circle in a horrifying sight. Mick turned, looking back at the two, his eyes widening as he witnessed the surge of electricity around them both, their faces etched with pain and agony, and then all was dark and silent. The sounds of hunting dogs filled the night with the sounds of the storm, and Mick knew that the worst was yet to come. Do you remember that kid you were always afraid of and whispering about in school? What if that facade was just to keep you alive and safe? What if he was one of several who in earnest was protecting you and others from the horrors, which lurk in the shadows and behind closed doors? In The Four Families, you will see what horrors await you in that darkness lurking just behind those doors. Action and suspense combine in a way to make you wonder and think whom your enemies and friends really are. What price would you pay for safety?.
