Discover the book which will cover everything from a simple What is Blockchain to the advanced Blockchain programming applications. Blockchain is the first native digital medium for value, just as the internet was the first native digital medium for information. - Harvard Business Review Are you new to Blockchain technology? Are you worried that it's too technical and that you'll never understand the concepts? Do you suffer from future shock, but are looking for a reason to be optimistic? Do you see the possibility of something new and beautiful, but are unsure of it or how to articulate it to friends? Are you the one who thinks that Blockchain and bitcoin can't possibly be real or that government will stamp it out someday? Are you the one who knows that it cannot be uninvented or stopped, but you're still wondering what it all means and what the future could hold? In this book, we'll look at the answers to these questions along with addressing how this new technology could help you in your daily life and...
