IDIOTS IN ICELAND: A GUIDEBOOK WITH A DIFFERENCE FOR THE DISCERNING TOURIST (PAPERBACK)

[DOWNLOAD](#)

Ironie Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The traveller's handbook that allows you to have a safe, considerate, budget experience of Iceland. Iceland is a peculiar place, with certain physical dangers and financial costs to the unprepared traveler which CAN be avoided. To identify these often subtle threats, you need the advice of a local resident, which is what this is. This is a handbook aimed at tourists visiting Iceland and is intended to save ill-informed visitors from various pitfalls and calamities peculiar to Iceland, as well as educate them on how to cause the least damage to fragile nature while visiting. Contains advice and information on: Local people and culture, film, TV, music, history, language, the sagas, local specialty foods, dos and don'ts, danger to life, limb and property, travel cost savings, local festival-type events, useful websites. There are also a few pointers as to how a tourist can enjoy certain natural attractions easily and cheaply, such as Northern Lights and hiking /outdoors activity in the vicinity of Reykjavik. The style and theme is tongue-in-cheek, yet deals with serious subjects relating to potentially fatal accidents and expensive liabilities. The dangerous Icelandic road system (and lack thereof) is given particular attention, as is survival in the wilderness and how to avoid commercial exploitation. If you want a safe, cheap, well rounded experience in Iceland, this is for you. From back cover: * tells you what to do and what not to do while visiting Iceland, and what is a distinct no-no. * warns you about how cunning merchants try to exploit you and other dangers to your pocketbook. * tells you what you can do in Reykjavik, for free, to avoid being bored to death. * saves you its...
