

Ceremonial Violence: Understanding Columbine and Other School Rampage Shootings

Filesize: 7.25 MB

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.

Gerald Duckworth & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Ceremonial Violence: Understanding Columbine and Other School Rampage Shootings, Jonathan Fast, "Ceremonial Violence" analyses thirteen school 'rampage' shootings - including the Columbine High School massacre - and explains, for the first time, why teenagers commit these tragic atrocities. These cases include: Brenda Spencer, 16, who, in 1979, after shooting at elementary school children for no apparent reason explained to a reporter, 'I hate Mondays'; Wayne Lo, 18, a brilliant Taiwanese student and violin prodigy who embraced white supremacist rhetoric. In 1992, he stalked the campus of Simon's Rock College with a semi-automatic rifle picking victims at random; Evan Ramsey, 16, who went on a shooting rampage in Anchorage, alerting some twenty-five friends beforehand so they could observe the mayhem; and, Luke Woodham, 17, who claimed to have been controlled by demons when he killed his classmates. With his grasp of the elements of abnormal psychology, developmental psychology, sociology and neurology that contribute to the homicidal mindset, Fast offers us a means of understanding and coming to terms with these shootings, and provides examples of what we should look for as early signs to prevent further tragedies.
