Brand New Book ***** Print on Demand *****.Healthy marriages do not simply happen, though our culture's marriage landscape suggests otherwise. Married couples need a strong foundation that the majority of people cannot build on their own. How can ministers best prepare engaged couples for the altar? And how can ministers help provide the needed material for healthy growth among married couples in their cultures? Marriage Ministry: A Guidebook by noted pastors, authors, and seminar leaders Bo Prosser and Charles Qualls provides a ready help for ministers who provide premarital counseling, perform wedding ceremonies, and generally care for married couples and their families. Full of information and ideas that encourage conversation, communication, and interaction, this book will help ministers respond to the many needs of couples in the church. Whether your ministerial needs are with the newly married, the successfully married, or the struggling married, Marriage Ministry will surely help you help them.
