Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Delaney Cooper is the Captain of the Crescent Inferno, an all-male pirate crew with the ruthlessness of the most savage of thieves but morals of a knight in shining armor. She makes a life out of plunder, never taking more than she needed, with her second-in-command and lover at her side. She thinks she has decades of this life ahead of her. She is wrong. Soon, she is blindsided with the new knowledge that she can cross into different centuries through the passage of oceanic whirlpools but the discovery comes at a high, terrible price. When she crosses paths with Cassander Thatcher, another time-traveler, they butt heads almost instantly. Surprises come at her from every corner, and she s suspicious of them all. He is a mysterious stranger in more ways than one, but he can show her the way to navigate her new, upturned life as a time-traveler. Fates are at play. Tables are turned. Neither of them know that something bigger is coming their way. But plans come in stages. Baby steps.
