A long history of strange disappearances and unexplainable occurrences leave clues that the town of Fawlt Line may actually sit on a time fault---a portal to alternate times and unexpected time travels---a twist of fate that puts all of Fawlt Line's citizens in serious danger. Will they find the faith to hold on to the town and time where they belong? On a foggy night, Jeff and Elizabeth see a car heading through the mist. A man on horseback is in the middle of the road, and a collision was barely avoidable. Now the victim---a giant of a man---lies on a hospital bed, surrounded by hospital staff and a host of questions. Has King Arthur really slipped through a time crack into Fawlt Line? Impossible? Perhaps. But lately in the town of Fawlt Line, the impossible has had a way of proving true. And the most incredible events are yet to come.
