Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The timing of the Church's Rapture has been and continues to be among premillenarian Christians (i.e., they who affirm a literal 1,000-year reign of the Son of David upon the Earth in the person of the glorified Son of Man) a most contentious issue. They who refrain or boast that they are, consequently, pre-trib are only hiding from the fray behind ignorance or seek to keep a very shaky unity with others around the table where such issues are best left to the nether world of those who delight in counting the number of angels who can dance on the end of a pin. Under the adage that They who stand for nothing may fall for anything cannot be said of stalwart pretribbers (i.e., those who believe the Rapture comes before the final Week of human history as we know it to be--the 70th Week of Daniel's prophecy found in Daniel 9:24-27). They at least have conviction on the matter. Although this text will take on the alleged biblical assumptions of the pretrib Rapture position as doctrinally erroneous; it at least commends them for taking a position! Furthermore, they are our comrades in arms when push comes to shove in the trenches of spiritual warfare in the latter days. Notwithstanding our many compatibilities on key elements, not only of the Faith once delivered to the saints, but on a host of prophetic possibilities--we simply agree to disagree agreeably on one of the most important aspects of end-times prophecy: The Rapture's Timing. This text seeks to systematically counter point after point made by those versed in the pre-trib position--and, yes, this is an in-house food fight...
