Paperback Pages Number: 242 Publisher: Tsinghua University Press. Beijing Jiaotong University Press; 1st edition (September 1, 2007). With increasing the degree of China's opening to the outside world, especially in the growing globalization of business activities and China's accession to the WTO, the needs of the community familiar with international business and are familiar with the senior command of the English language complex talent is also growing. In order to conform to the trend of the times, we write Business English. Book is Business English the first two, the book contains a total of seven units, public relations, trade, business, marketing, banking, agents, insurance claims and cargo transport as the theme, the preparation of Chapter 28, which relates to receive guests, prices, foreign currency exchange, application, and to discuss the agent, mode of transport as well as a variety of business activities. Each chapter consists of six parts, situational dialogues, new words and phrases, comments, practical sentences, reading and speaking practice. Focus on students' communication abilities, the content will be designed to highlight the language structure and language features, and focus on the organic combination of speaking practice. The arrangement was new book, Feng practical content, language, real and natural to focus on speaking practice to simulate real communication scenarios, easy to apply what they have learned. The book is available to institutions of higher learning, especially vocational college Business English Junior Students, also for non-English majors to learn Business English, but also can be used as the company's corporate English training materials and the majority of English enthusiasts to learn business English reading materials. Four Satisfaction guaranteed, or money back.
