VALUE CREATION WITHIN THE CONSTRUCTION INDUSTRY

Peter Gmbh Lang Jan 2011, 2011. Buch. Condition: Neu. Neuware - Mergers & Acquisitions (M&A) are important strategic business options for corporations. Yet, the understanding of industry-specific drivers of M&A transactions is more than limited. Characterized by highly fragmented markets, cross-company production structures and increasing international business scope, the construction industry represents an attractive field of research to address questions on M&A motives. Based on comprehensively selected datasets and state-of-the-art empirical methods, the study illustrates the motives, the strategy and...
