FOUR VIEWS ON SALVATION IN A PLURALISTIC WORLD

Zondervan. Book Condition: New. 0310212766 BRAND NEW!! MULTIPLE COPIES AVAILABLE. NEW CONDITION!! 100% MONEY BACK GUARANTEE!! BUY WITH CONFIDENCE! WE SHIP DAILY!!EXPEDITED SHIPPING AVAILABLE. To read the New Testament is to meet the Old Testament at every turn. But exactly how do Old Testament texts relate to their New Testament references and allusions? Moreover, what fruitful interpretive methods do New Testament texts demonstrate? Leading biblical scholars Walter Kaiser, Darrel Bock and Peter Enns each present their answers to questions surrounding the use of the Old Testament in the New Testament. Contributors address elements such as Divine and human authorial intent, the context of Old Testament references, and theological grounds for an interpretive method. Every author applies his framework to the same three texts so that readers see each method's practical use. Each contributor also receives a thorough critique from the other two authors. A one-stop reference for setting the scene and presenting approaches to the topic that respect the biblical text, *Three Views on the New Testament Use of Old Testament* gives readers the tools they need to develop their own views on this important subject. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series. Editorial Reviews From the Publisher Increasingly, Christianity is seen as just one among many valid paths to God. Four views - from salvation in Christ alone to the belief that all ethical religions lead to God - presented by advocates of each, help Christians understand and meet the challenges of our pluralistic culture. From the Back Cover Religious pluralism is the greatest challenge facing Christianity in Western culture today. The belief that Christ is the only way to God is...
