Try as she may, year after year, Sashi struggles with this simple but profound wisdom. However through persistence and trust, she awakens to her mother's guidance, only to become the radiant expression of humanity she was meant to be. Through simple, easy-to-understand language and delightful, heartwarming illustrations, Lighting the Earth beautifully addresses Universal questions such as, Who am I? and Why am I here? Children of all ages will feel truly inspired to follow their inner strengths, and adults will see the importance of lovingly guiding children as they follow their own journeys.
