LOVING BABY LOUIE: HOPE IN THE MIDST OF GRIEF (PAPERBACK)

Emmaus Road Publishing, United States, 2015. Paperback. Condition: New. Talena Streeter (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Some take a lifetime to fulfill their purpose. Others, such as babies that die prematurely, need much less time to accomplish God's plan for their lives. Authors David and Colleen Currie share the story of their tenth grandchild, Louis Gerard, to offer hope to families suffering the loss of an infant and to assist children in the grieving process. Loving Baby Louie is a poignant story that will help small children understand the loss of a sibling and the eternal life that awaits them in Heaven. As Scripture tells us, No eye has seen, nor ear heard, nor the heart of man conceived, what God has prepared for those who love Him (1 Corinthians 2:9). About the Authors Colleen and David Currie reside in the Chicago area. They have eight children and eleven grandchildren. Loving Baby Louie is the true story of their tenth grandchild, Louis Gerard. In 1993, Colleen and David and all of their children joyfully entered the Catholic Church from Protestant fundamentalism. Colleen is a full-time mother and grandmother and David is a popular Catholic author and lecturer. He has been a frequent guest on both radio and television, including Relevant Radio, EWTN, and the History Channel. About the Illustrator Talena Streeter earned a degree in graphic design from the University of Colorado at Denver. She has worked professionally on all kinds of illustration projects—from advertisements to corporate logos. She especially enjoys illustrating children's books and helping talented authors bring their stories to life. Talena thanks God every day for her husband, her family, and the chance to do what she loves for a living.
