University of Texas Press. Hardback. Book Condition: new. BRAND NEW, Fireflies: Photographs of Children, Keith Carter, 'Some days I think of myself as the Flannery O'Connor of children's photography. My pictures occasionally tend toward the dark or solitary side. In my world of truths and half-truths, the inhabitants might be amiss or fallen from grace, but my children inhabit a peaceable kingdom where everything that falls deserves a chance to be restored. My children are beautiful, intelligent, sometimes sad, pensive, devastatingly perceptive, complex, occasionally humorous, always creative, and often inscrutable' - Keith Carter. "In Fireflies" Keith Carter presents a magical gallery of photographs of children and the world they inhabit. The collection includes both new work and iconic images such as "Fireflies," "The Waltz," "Chicken Feathers," "Megan's New Shoes," and "Angel" selected from all of Carter's rare and out-of-print books. When making these images, Carter often asked the children, 'do you have something you would like to be photographed with'. This creative collaboration between photographer and subject has produced images that conjure up stories, dreams, and imaginary worlds. Complementing the photographs is an essay in which Carter poetically traces the wellsprings of his interest in photographing children to his own childhood experiences in Beaumont, Texas. As he recalls days spent exploring in the woods and creeks, it becomes clear that his art flows from a deep reservoir of sights and sounds imprinted in early childhood. A lyrical meditation on the joys, wonders, and anxieties of childhood, "Fireflies" brings us back to the small truths that are often pushed aside or forgotten when we become adults.
