Amulet Books, 2016. Hardback. Condition: New. Language: English . Brand New Book. From Jesse Andrews, author of the New York Times bestselling *Me and Earl and the Dying Girl* and screenwriter of the Sundance award-winning motion picture of the same name, comes a groundbreaking young adult novel about music, love, friendship, and freedom as three young musicians follow a quest to escape the law long enough to play the amazing show they hope (but also doubt) they have in them. Inspired by the years he spent playing bass in a band himself, *The Haters* is Jesse Andrews's road trip adventure about a trio of jazz-camp escapees who, against every realistic expectation, become a band. For Wes and his best friend, Corey, jazz camp turns out to be lame. It's pretty much all dudes talking in Jazz Voice. But then they jam with Ash, a charismatic girl with an unusual sound, and the three just click. It's three and a half hours of pure musical magic, and Ash makes a decision: They need to hit the road. Because the road, not summer camp, is where bands get good. Before Wes and Corey know it, they're in Ash's SUV heading south, and *The Haters Summer of Hate Tour* has begun. In his second novel, Andrews again brings his brilliant and distinctive voice to YA, in the perfect book for music lovers, fans of *The Commitments* (author Rody Doyle raves *The Haters* is terrific. It is shocking and funny, unsettling and charming.), and *High Fidelity*, or anyone who has ever loved--and hated--a song or a band. This witty, funny coming-of-age novel is contemporary fiction at its best. A New York Times bestseller.
