

Basic Projects in Dreamweaver

By John Giles

Pearson Education Limited. Paperback. Book Condition: new. BRAND NEW, Basic Projects in Dreamweaver, John Giles, This is a project-based student book for Dreamweaver especially aimed at 11-14 year olds. Written for the 2008 Key Stage ICT curriculum and following our popular Basic approach, this accessible resource offers students practical learning and support with Dreamweaver. The book follows a project-based approach that teaches students both the skills and capabilities they need to understand and succeed. All assessment criteria are linked to National Curriculum levels for each activity to help pupils to progress. Coverage of Functional Skills is clearly highlighted throughout to ensure learners are developing these skills whilst they learn. It also offers motivating project themes that really appeal to pupils.

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
