ELECTORAL COLLEGE REFORM: CONTEMPORARY ISSUES FOR CONGRESS (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The electoral college method of electing the President and Vice President was established in Article II, Section 1 of the Constitution, as revised by the Twelfth Amendment. It provides for election of the President and Vice President by electors who are themselves elected by the voters. A majority of 270 of 538 electoral votes is necessary to win. For further information on the electoral college system's operations, see CRS Report RL32611, The Electoral College: How It Works in Contemporary Presidential Elections, by Thomas H. Neale. The electoral college has been the subject of reform proposals since 1800. Constitutional and structural criticisms have centered on several of its features: it is not fully democratic, providing indirect election of the President; it can lead to the election of candidates who win the electoral college but fewer popular votes than their opponents or to contingent election in Congress if no candidate wins an electoral college majority; it results in electoral vote under- and over-representation between censuses; and that faithless electors can vote against the people's express choice. Legislative and political criticisms include the general ticket system, currently used in all states except Maine and Nebraska, which is said to disenfranchise voters who prefer the losing candidates in the states; various asserted biases that are alleged to favor different states and groups; and the electoral college lock, which was once claimed to provide an advantage to Republican candidates, but is now said to favor Democrats. Electoral college reform options include the following: end it, mend it, or leave it alone. Proposals to end the electoral college almost always propose direct popular election, with the candidates winning the most popular votes nationwide elected. Almost all reform proposals...
