Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Thoughts On Parliamentary Reform is a classic political science essay by John Stuart Mill. NEARLY the whole of this pamphlet, including the argument on the Ballot, was written five years ago, in anticipation of the Reform Bill of Lord Aberdeen's Government. The causes which at that period kept back the question itself, prevented the publication of these remarks upon it. Subsequent reflection has only strengthened the opinions then expressed. They are now published, because it is at the present time, if ever, that their publication can have any chance of being useful.
