Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Christian Focus Publications Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Deep down Doug knew what he had to do as he accepted the ball from the big defender and headed towards the box. Twelve yards - that was all that separated him from putting his terrible season behind him and completely turning things around. He had played well tonight, he knew that, but if he didn't score this penalty it would all be for nothing. In a matter of seconds he would either be a hero or a villain. His pulse quickened as he took a step back from the ball and waited for the whistle. There was no hiding place - floodlights, cameras and the eyes of football fans everywhere were on him. The whistle blew. Drawing one last breath he launched forward, striking the ball with all his power. Doug's glittering career seems to be taking a nose dive - and the plans for his life are not what he had hoped for, but is something else going on behind the scenes? Doug's poor scoring record may not be the only reason he finds himself falling out of favour with the world's richest club. Are Doug's plans being thwarted by someone else's plot? A plot that cares nothing about other people. even whether they live or die?.
