It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Dreamtime is the Australian Aboriginal belief of Creation. They believe the Earth was in darkness, when, from below the surface, supernatural Ancestor Beings resembling half human half animal creatures appeared. They moved across the world and changed the form of the land creating mountains, rivers, trees, waterholes, plains, sand hills and the people. After the creation, the mythical creatures sank back into the earth. While Nightmare in Dreamtime is based on the assumption that half human creatures created the world, and many of the names used in the story have aboriginal connotations and other similarities, it is not a story of the Australian Indigenous people or their beliefs. The story: When the good spirits of creation sank back into the earth, a group of evil spirits remained on the surface determined to stamp their evil ways into the minds of the mortals; similar to Lucifer and the fallen angels or angels of sin in the Christian belief. These Evil Ones, live in a parallel dimension with the mortals and morph into creatures of half human half animal form which enter the minds of mortals and make that mortal an evil person; an aggressor, a tormentor or oppressor of other mortals. Their leader is named Mokojuwari and he and his female companion Kaiya, run their Empire from the Realm of the Dreamtime Shadow. The evil in the mortal world grew, and eventually, the good spirits, could not allow the mortal world to self-destruct, and created the Realm of the Dreamtime of the 2nd Order which houses the Eternal Flame of Kudnu Muda, and while ever it burns, there is hope the mortal world can return to a place of peace...
