Trade Mindfully: Achieve Your Optimum Trading Performance with Mindfulness and Cutting-edge Psychology (Paperback)

By Gary Dayton

John Wiley Sons Inc, United States, 2014. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. Overcome psychological obstacles to increase trading success. Successful traders need to be well-versed and skilled in a wide range of business and economic areas. But now, in addition to effective trading strategies and sound money management techniques, traders need to possess the know-how to handle the mental and emotional challenges of working in a highly volatile environment. Trade Mindfully is a unique resource that applies cutting-edge psychological techniques to trading skills, allowing readers to improve their mental outlooks and maximize the potential of their trading strategies. This book draws upon recent psychological research in behaviorism to teach new approaches that call for better focus, more confidence, and more positive perspectives and outcomes. One of the key concepts covered in the book is mindfulness, a state of mind traditionally touted in the East for its ability to reduce stress and increase perspective, useful qualities for traders looking to rise above emotional obstacles and the poor results they cause. The author also discusses the importance of High Value Trading Actions (HVs), specific actions that are under a trader's control. With this guide, trading...
