This is the body's desperate answer to the burden of a toxic and unhealthy diet. Despite the efforts of the pharmaceutical industry to offer a range of drugs that aim to suppress the symptoms of an over-active immune response system, the answer lies powerfully and simply in our choice of food. And this important insight is perfectly addressed as one of Beran Parry's many areas of expertise. The Paleo Keto Diet has been applauded as one of the most effective ways to re-balance the digestive system, burn excess body fat, re-set the metabolism and heal an over-burdened immune system. Based on decades of study and the latest research in the field of Functional medicine, this life-changing compilation of expert guidance, practical assistance, thorough explanations and a fabulous collection of five hundred anti-inflammatory recipes could...
