

The Organic Medicinal Herb Farmer: The Ultimate Guide to Producing High-Quality Herbs on a Market Scale (Paperback)

Filesize: 7.65 MB

Reviews

Very beneficial to all of category of folks. We have read through and i am sure that i will going to read once again once again in the future. Your daily life span will probably be change when you full reading this pdf.
(Amelia Roob DDS)

THE ORGANIC MEDICINAL HERB FARMER: THE ULTIMATE GUIDE TO PRODUCING HIGH-QUALITY HERBS ON A MARKET SCALE (PAPERBACK)

Chelsea Green Publishing Co, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. A new approach to growing local medicine, including information on geo-authenticity, wildcrafting, and developing a good business plan Both a business guide and a farming manual, The Organic Medicinal Herb Farmer will teach readers how to successfully grow and market organic medicinal Western herbs. Whether you re trying to farm medicinal plants, culinary herbs, or at-risk native herbs exclusively or simply add herbal crops to what you re already growing, successful small-scale herb farmers Jeff and Melanie Carpenter will guide you through the entire process--from cultivation to creating value-added products. Using their Zack Woods Herb Farm in Vermont as a backdrop, the Carpenters cover all the basic practical information farmers need to know to get an organic herb farm up and running, including: - Size and scale considerations; - Layout and design of the farm and facilities; - Growing and cultivation information, including types of tools; - Field and bed prep; - Plant propagation; - Weed control, and pests and diseases; - Harvesting, as well as wild harvesting and the concept of geo-authentic botanicals; - Postharvest processing; and, - Value-added products and marketing. The authors also provide fifty detailed plant profiles, going deeper into the herbs every farmer should consider growing. In an easy-to-understand, practical, and comprehensive manner, readers will learn how to focus on quality over quantity, and keep costs down by innovating with existing equipment, rather than expensive technology. Market farmers who have never before considered growing medicinal herbs will learn why it s more important to produce these herbs domestically. The Organic Medicinal Herb Farmer makes a convincing case that producing organic medicinal herbs can be a viable, profitable, farming enterprise. The Carpenters also make the case for incorporating medicinal herbs into...
