Beneath the facade of the ego, beyond the ability of the mind to conceive of it, yet within reach of everyone through direct personal experience, there is a God-like Self, the authentic I AM or the Quantum God or Goddess. From the perspective of a Quantum God, life is a co-created reality made of consciousness and a special condition of consciousness called matter. Matter is the medium; being is the message. You and I are the Quantum Gods. The book features: A profusely illustrated introduction to the classical Kabbalah and its Tree of Life The Creative Law, a practical, seven-step process of creative visualization. It was discovered by applying Kabbalistic principles to decipher the code hidden in the first book of the Old Testament mistakenly entitled Genesis. It is how the Quantum Gods co-create reality. Psychometaphysics, a radical metaphysical model of reality in the form of a commentary on Kabbalah which relates the scientific view of the world to personal experience The Enlightenment Intensive, a method of self-inquiry discovered in 1968. It is a Zen-like method utilizing both contemplation and communication to discover first hand the true nature of Self and Life from ones own direct personal experience This item ships from multiple locations.
