Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You have been taught to view true wealth as something that happens only to a lucky few who win a random business lottery ticket or are born with unimaginable talent. The TRUTH is that creating excessive financial wealth does not come down to luck or talent. It comes down simply to knowing your beliefs, understanding, and views of life that reinforce...
