Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

Particulars then followed; and after the announcement of the victories came the list of the wounded and the slain. Who can tell the dread with which that catalogue was opened and read! Fancy, at every village and homestead almost through the three kingdoms, the great news coming of the battles of Flanders, and the feelings of exultation and gratitude, bereavement and sickening dismay, when the lists of the regimental losses were gone through, and it became known whether the dear friend and relative had escaped or had fallen. Anybody who will take the trouble of looking back to a file of the newspapers of the time, must, even now, feel at second-hand this breathless pause of expectation. The list of casualties are carried on from day to day: you stop in the midst as in a story which is to be continued in our next. Think what the feelings must have been as those papers followed each other fresh from the press; and if such an interest could be felt in our country, and about a battle where but twenty thousand of our people were engaged, think of the condition of Europe for twenty years before, where people were fighting, not by thousands, but by millions; each one of whom as he struck his enemy wounded horribly some other innocent heart far away. The news which that famous Gazette brought to the Osbornes gave a dreadful shock to the family and its chief. The...
