DESIRE I REMEMBER, BUT LOVE NO. (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What happens when a young poet in Mexico City writes about his coming out experiences? In *No recuerdo el amor sino el deseo* / *Desire I remember but love*, the author shares these first steps: new romances, one-night-stands, unreturned phone calls, erotic adventures and disillusionments. What we discover is that these experiences are not unique to one individual, but belong to all of us. This is a book that crosses many boundaries, both geographical and emotional. I find that each poem discloses something about myself, about the world, about life-that I didn't know I needed to learn. I hope that other readers will join me in reveling...
