Stick Raven, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Teacher doesn't like you reading this, bro. Don't blame me if they knock this book right out of your hand. Got that straight? Good. Now, let's begin. You wake up one morning and find your supposed-to-be easy senior year of high school is going to be demolished by something called CoreAmerica. Camera crews are everywhere. It's taking over your school, and they're calling it an experiment. And in the middle of it all is this girl, Everett-man- she has it all. Never in a million years did you ever think you might get her. And she's smiling at you now, boy. Problem is-to keep her- you'll have to give yourself up. Hell of a senior year. Seventeen year old Reed wasn't looking to change the world, just graduate high school. He didn't know he would first have to choose between who he loves and what is right.
