THE THIRTY YEARS WAR: A BRIEF HISTORY, 1618-1648

Leonaurltd. Paperback. Condition: New. 184 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. A concise history of a cataclysmic European conflict in the 17th century The Thirty Years War was fought between 1618-1648 and is widely recognised as being one of the most destructive wars ever fought. More people lost their lives in this conflict, as a percentage of the total population at the time, than in the conflicts of the twentieth century. Fought principally in central Europe-and mostly over terrain now in modern day Germany-the war involved more than fifteen nation states. Forces were divided broadly on religious grounds, between Protestants and their allies and the Catholics of the Holy Roman Empire and Spain but also with elements of the Ottoman Turkish Empire. Self evidently this was a long, bloody conflict the causes of which were many and complex. Dynasties were born in its tumult, great men were brought to the fore and some, like Gustavus Adolphus of Sweden, would perish before its conclusion. The campaigns and battles of the Thirty Years War have inspired historians across the centuries to the present day to write about them and many highly regarded works concerning the war have been published. This concise book takes a different approach; it sets out to give an understanding of the events and personalities involved and is an ideal overview for both specialists and those new to the subject. Leonaurltd editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket; our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
