

Stephanie Pearl-McPhee Casts Off

By Stephanie Pearl-McPhee

Storey Books. Paperback. Book Condition: new. BRAND NEW, Stephanie Pearl-McPhee Casts Off, Stephanie Pearl-McPhee, Using a travel guide format as her launching pad, Pearl-McPhee acts as tour guide extraordinaire, displaying her trademark razor-sharp wit as she describes and critiques every aspect of this land she knows so well - its people, native language, familiar phrases, strange beliefs, etiquette, and cultural customs. Readers will love her timeline of notable dates in knitting history and rarely celebrated knitting heroes, from the samurai warriors of Japan to the "Terrible Knitters of Dent." And, while the land of knitting is a peaceful place, it does have its political arguments, such as the acrylic versus natural fibres and circular versus straight needles debates. As she's toured (and knit) her way across North America during the past two years, Pearl-McPhee's smart, perfectly timed banter has captured the hearts, minds, and funny bones of thousands of knitters far and wide. No fan is going to want to be left behind as "Stephanie Pearl-McPhee Casts Off" on her latest yarn-bound expedition.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
