THE LIVING EPISTLE, OR THE MORAL POWER OF A RELIGIOUS LIFE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Living Epistle, or the Moral Power of a Religious Life The design of this treatise will at once commend it to the kind regards of the Christian community. We all know the importance of example. The instinct of imitation is seen in the child, long before he is capable of any other instruction; and, in after life, the same propensity is discovered in the almost universal conformity of our morals and habits to those of the people around us. It is very humiliating, but we must see things as they are, and there is no disguising the fact, that the gospel has been, and is, shorn of its power, not so much by any defect in the learning and eloquence of the pulpit, as by the sad discrepancies which the world detects between the teachings of the Sabbath and our conduct during the rest of the week. This remark applies to the ministry and laity alike. I know how prone men are to prescribe to ministers a standard of holiness nothing short of perfection. This proceeds, not only from the a caviling spirit, but from a desire to have pastors to whom, in the hour of need, they can say, Give us of your oil for our lamps are gone out.
