Treasury of Winter (Paperback)

By Jason Nelson

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Treasures to Warm a Hero's Heart! The Treasury of Winter brings you three dozen magical items ideal for any Pathfinder Roleplaying Game campaign but especially suited to adventures into the icy lands of the north, where frozen fey and winter witches rule a cold-hearted kingdom and seek to spread their wintry reach across this world and beyond. Even beyond the general themes of frost and fey, these treasures draw upon Russian myth, legend, and folk traditions, as befits a campaign where meeting Baba Yaga herself is a definite possibility, and where the veil between worlds dissolves to the point that heroes from a world of magic might venture forth to a war-torn world like our own on the trail of the queen of witches herself! This tome contains treasures of great value to those braving the long cold polar night, like the radiant censer, foxfire stole, hoarfrost halter, and sledge of the great bear, as well as those who exult in wielding the fury of the fantastic frost for themselves, like the diamond dagger, blizzard bottle, and hoarfrost halter. You will...

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
