BARACK AND THE DRAGON: LEGACY OF LIES (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What do you say to a nation that has had the best of everything and is about to lose it all? Just like the Titanic sailing arrogantly through the night, oblivious to the cold, icy grave that awaited her-even so America sails on, completely unaware of the nightmare that is about to break forth into reality. There is an answer but it won t come through politics as usual or church as usual. America has ignored God and God s prophets for many years. Our enemies within and without are now exploiting this breach. For the shedding of innocent blood; for the rampant perversion and violence; for the prolific drug use and witchcraft and worship of fallen angels- judgement comes-it has already begun. The alarm has been sounding but few have awoken. Let him who has ears hear what the Spirit of the Lord is saying in this hour-It is time to turn to the Lord with all our heart, sparing nothing-He is our only hope.
